Railway Surgeons Discuss Question of Settling Damage Suits Filed by Employes.

DR. THOMAS APPROVES BILL

Dr. McEwan Elected President of Atlantic Coast Line As-

Richmond Hotel yesterday, Lr. D. G. Thomas, chief surgeon of the company, expressed himself personally in pany, expressed himself personally in favor of the employes compensation act. The bill, he said, passed the Sen-ate at the last session of Congress, and would have passed the House but 192 political reasons. It is probable, he added, that in the next year the bill

will become law.

Dr. Thomas's talk came near the close of the day's program, after a number of papers discussing railway accidents and resultant injuries had been read. In the discussions of the papers, suggestions were made by seventees.

papers, suggestions were made by several doctors in regard to a more equitable method of settling damag claims.

The employe's compensation act, said Dr. Thomas, if passed in its present form, will provide an automatic method of settling with railroad employes for injuries received while at work. The graduated scale of allowances contained in the bill for different injuries will largely do away with the present system, whereby the award of compensation is frequently made by juries which are governed by unskilled

Dr. Thomas urged his hearers to approach every case of injary with a view of aiding the sufferer first, and looking after the interests of the railroad only after this has been done. Among the suggestion made from the floor of the convention for a better method of determining damages was one looking to the formation of a State heard of examiners. It would be the gation of every injured person's case from a nonpartisan standpoint and report to a court, which would make

the award.

Other features of the convention were papers by Dr. Edward F. Parker. of Charleston, S. C., on "The Mønagement of Eye Injuries," and one illustrating methods of simulation on the part of injured persons for the purpose of obtaining damages, by Dr. A. P. Albaugh, of Tarpon Springs, Fla.

P. Albaugh, of Tarpon Springs, Fla.

Dr. McEwan President.

At the close of the session officers for the ensuing year were elected, as follows: president, Dr. John S. Mc-Ewan, Orlando, Fla.; first vice-president, Dr. S. T. Nicholson, Washington, N. C.; second vice-president, Dr. C. E. Moore, Wilson, N. C.; third vice-president, Dr. H. B. Mahood, Emporia, Va.; secretary-treasurer, Dr. C. P. Aimar, Charleston, S. C.; members of the executive committee—Dr. D. G. Thomas, Wilmington N. C., chalrman; Dr. South-

Charleston, S. C.; members of the executive committee—Dr. D. G. Thomas, Wilmington N. C., chalrman; Dr. Southgate Lee, Norfolk, Va.; Dr. I. H. Hicks, Dunn, N. C.; Dr. W. S. Lynch, Scranton, S. C.; Dr. M. N. Stow, Jessûp, Ga.; Dr. Oliver J. Miller, Sanford, Fla., and Dr. G. A. Hammond, Dothan, Ala.

The next place of meeting was not selected, as that decision lies with the executive committee and will be made at a later date. At the close of the meeting resolutions thanking the people of Richmond, and especially Mayor Ainslie, who welcomed the surgeons, were passed. A vote of thanks was also given Dr. Thomas for his part in the convention. About 206 persons attended the sessions.

In the afternoon the wives of the doctors were guests at a tea given at the Country Club of Virginia. A trip down the James River to City Point to-day will close the convention.

tenary of Sisters of Charity Marked by Impressive Ceremony.

An unusual ceremony took place yesterday morning at 9 o'clock at the Sacred Heart Cathedral in honor of the centenary of the establishment of the Sisters of Charity of Nazareth, a teaching order, to which belong the Sisters of the Cathedral School. Bishop O'Connell pregided, he being assisted by the eminent Monsignor Henry Benedettl, professor of church history in the far-famed University of the Propaganda at Rome, and by Very Rev. J. J. Bowler, vicar-general of the Diocese of Richmond. In the sanctuary were present Rev. J. B. O'Reilly, rector of the cathedral, and Kev. H. J. McKeefry, irremovable rector of St. Patrick's Church. Richmond. The ceremonies were in charge of Rev. Martin J. Haier, manter of ceremonies of the Sacred Heart Cathedral. The singing of the solemn High hass was ably rendered under the efficient direction of Rev. Felix F. Kaup, chancellor of the diocese. The officers of the mass were Rev. F. Joseph Magri. D. D. celebrant, and Rev. Louis Smet and Rev. James Brennan, who acted, respectively, as deacon and subdeacon. A large number of altar boys took part in the ceremony. The altars were tastefully decorated by the Altar and Tabernacle Societies.

adults. The altars were tastefully decorated by the Altar and Tabernacie Societies.

The centennial sermon was delivered during the mass by Bishop O'Connell with his usual elegance and force. The bishop told of the establishment just 160 years ago of the splendid order of the Sirters of Charity of Nasareth by Bishop Finget, the first bishop of the Sirters of Charity of Nasareth by Bishop Finget, the first bishop of the state of Kentucky. He spoke of the close bond of union between Kentucky and Virginia, and showed how it was fitting that Kentucky, being the eldest daughter of Virginia, should send back to the old State some of her noble daughters to do the work of spreading knowledge and of bringing the Hitle ones gearer to God. He dwelt especially on the efficient work done by the Sisters in the Old Dominion, and closed with the prayer that God might bless their labors in the future with even more abundant success than in the past.

The Sisters of Charity of Nasareth have excellent schools at Richmond, Roancke and Newport News. In the cathedral parish between 100 and 100 papils have already enrolled them-selves for the present scholastic year.
